DANUFOX Precision Game
REF: DAX-L

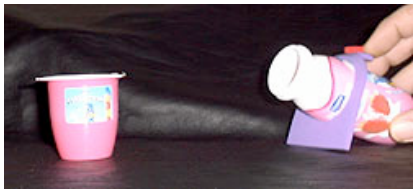

Description:
Danufox is a brandnew fun competition game that fits on small drink-containers, bottles and other rounded shapes.
The inside piece contains a number of shaped pieces which must be catapulted inside an empty container, one or more caps, or another target. The 'foam shapes' are put on the lancing shape whish is bend down to catapult the shape.
Shapes are also possible for squared and rectangled packaging systems (cfr. Small Tetrabrics).
